E·SERIES SMART REPAIR KIT

for professionals, by experts.

E-SERIES SMART REPAIR KIT

The PRO X Smart Repair tool offers the very latest in brushless motor technology. The 12V cordless battery is lightweight and portable for ease of use throughout any working environment. The quick change system enables effortless switching between rotary and random orbital action for both sanding and polishing applications. Housed in a durable kit box with a full range of pads and adaptors (the battery charger is not included).

*E-SERIES PRO XC Charger sold separately

Part number	610312	610329	610336
Plug type	EU	UK	USA
Weight	0,89 kg		
Input voltage	220 V / 240 V	120 V	
Charge current	9 A		
Wall mounting possible	Yes		
Loading progress display	Yes		

Compatible with PRO XB 12 V

Features & Benefits

- Multipurpose machine → Ideal for spot sanding and polishing
- Cordless tool → Lightweight and portable
- Brushless motor → High power and low maintenance
- Soft rubber ergonomic design → Maximum comfort
- Low vibration → Optimal balance and user comfort
- Quick change system → Alternate from rotary to roto-orbital action
- Clear RPM range → Identify suitable speed
- LED speed indicator → Displays different working levels
