OTHER
INDUSTRIES

Founded in 1979, Indasa is now one of Europe's leading manufacturers of high performance coated abrasives.

From its headquarters in Aveiro, Portugal, the company specialises in the production of innovative sanding materials and systems that deliver market specific solutions to a wide range of manufacturing and service industries.

An ongoing program of investment has resulted in the manufacturing plant becoming one of the most modern production facilities in Europe, with increased capacity to respond to the growing demands of the global market for Indasa's Rhyno brand of abrasive products. The consistently high standards of development, production and marketing of coated abrasives has earned the company a number of globally recognized accreditations over the years.

The Indasa Group consists of 8 wholly owned subsidiaries that are located in Spain, UK, France, Germany, Poland, Brazil, USA and Italy.

Export markets have been established in over 100 countries worldwide with a network of key distribution partners that service local market demand and promote continued business development.

Over the past 40 years, Indasa has successfully positioned itself as one of the leading coated abrasives brands in the UK. With a commitment to our customers and innovative product range, Indasa has become synonymous with performance, satisfaction and quality. Indasa offers a wide range of abrasives and accessories for your needs, regardless of your industry. We strive to continually develop and supply a wide range of quality products and systems to meet all of the strict and ever-changing market needs.

INDASA CORE VALUES

MANUFACTURING

We have been at the forefront of manufacturing abrasives for over 40 years.

Fundamental to our strategic goal is our desire to continuously fulfil the highest quality and performance standards.

An essential component of our work ethic is our manufacturing expertise, which is a direct result of the investment in the personal development of the Indasa employee.

This collaborative synergy ensures that we manufacture and operate with customer value and market specific solutions in mind.

QUALITY AND R&D

Our commitment to deliver an inspired and valued range of products, is one that can only be achieved by a company whose culture strives for excellence.

We utilise our key areas of expertise in the manufacturing process to ensure that nothing but the highest quality product leaves our production plant and represents our brand.

Through highly competent internal resources, unique partnerships with key suppliers, universities and R&D centres, we have created a business and operating model that differentiates us from other renowned global players.

Our ability to challenge traditional concepts in an ever-evolving industry positions us as a leading provider for performance products, materials and service.

CORPORATE RESPONSIBILITY

It's becoming increasingly evident that responsible business practices are imperative for a successful future.

Corporate responsibility and sustainability drives our business development and innovation - ultimately it shapes the way in which we operate.

ENVIRONMENTAL SUSTAINABILITY

Recognition of our environmental sustainability is gaining momentum throughout the business operation, from energy resource or waste generation to commercial mileage consumption.

We believe that having a positive reputation exemplifies our proposition for our customers, employees, shareholders and business partners alike.

R&D

RESEARCH &
DEVELOPMENT

Research & Development plays a crucial role in the ongoing development of technically advanced, high performance abrasive materials. Only the highest quality raw materials and FEPA compliant mineral grains are used, thus providing consistency of performance and efficiency across the abrasive grit range.

Indasa utilises its key areas of expertise to offer complete systems for surface treatment, preparation and finishing, across diverse market sectors such as automotive, marine & composite, woodworking and building & decorative trades.

ULTRAVENT
ADVANCED DUST FREE SOLUTION

Indasa has developed a unique and highly advanced dust free sanding solution with the ability to transform the future of machine sanding. The extraction capacity of the new Ultravent system virtually eliminates abrasive clogging, prolongs performance and provides a clean, healthy working environment. The superior dust free sanding process produces a highly consistent finish, maximizes operator efficiency and optimises bodyshop key performance indicators (KPI's).

Indasa launched the Rhynocell abrasive system that brings a new dimension to specialised surface preparation for compound and high gloss polishing applications. It is a system resulting from a collaboration between our R&D department and leading paint and polish companies. This pre-polishing process incorporates an innovative cell technology developed by Indasa. The uniformity and consistency of scratch delivers the optimum surface for compound/polish applications and offers a labour efficient and material savings polishing process.

You can see it in the finish.

INDASA ACADEMY

Opened in January 2016, the Indasa Academy welcomes customers from all over the world serving the broadest spectrum of industry markets. The Academy represents not only a major investment in the facility but also the commitment and delivery of technical expertise and instruction.

The application of best working practice is a key essential in driving efficiency for the workforce and business operation. Our team of experienced technicians instruct delegates in the very latest process and application techniques utilising Indasa's innovative range of abrasive system technologies. The bespoke and tailored training programmes develop the customer's skill base and optimise efficiencies in the workplace.

THE COMPONENTS

RHYNO ABRASIVE SYSTEMS
Rhyno products offer the optimum performance and durability for all refinishing operations. Developed specifically to meet the exact standards of the professionals and to keep pace with advanced refinishing techniques, they perform quicker and last longer while producing the ideal surface for the next stage of the work process.

ABRASIVES
High performance mineral grains:
Aluminum oxide
Silicon carbide
Zirconium

BONDING
Advanced modified synthetic resins.

DRY SANDING SPECIAL COATING
As a 3rd coating, a clog resistant lubricant technology is used in specific products for dry sanding operations.

BACKINGS
PAPER
The most used are the following premium backing papers:
A B C D E G H
flexibility Resistance
The waterproof latex papers incorporate a synthetic polymer which also increases flexibility.

CLOTH
F¹ X¹ Y²
flexibility Resistance

VULCANIZED FIBRE
Is used in abrasive discs for very heavy duty applications.

POLYESTER FILM
Used for finishing operations performed with microfine grits.

FASTENING SYSTEMS

THE TAB SYSTEM
Indasa has developed a simple but efficient system – the “Tab” – that allows the quick removal of the release paper from the **Rhynostick** discs.

THE GRIP SYSTEM
The brushed nylon “Grip” system enables the removal of the **Rhynogrip** discs from the machine’s backing pad for reuse.

Indasa abrasives systems are at the forefront of coated abrasive technology. The investments in the development of our products are always in response to the needs of our customers and in trend with the latest surface treatment techniques, resulting in the unquestionable recognition of our brand worldwide. Indasa's offering includes a complete range of accessories for the autobody professionals.

GRIT STANDARDS

Indasa coated abrasives are manufactured using the highest quality raw materials and in compliance with FEPA grit standards.

² Polyester

SAFETY RECOMMENDATIONS

Ensure that the working area is clean and tidy.

Wear protective ear and eye equipment.

Wear suitable respiratory equipment when working with hazardous materials.

Wear protective gloves.

Follow the correct procedures for handling and storage.

Make sure that the abrasive selected is suitable for its intended use.

Avoid clogging to ensure the abrasive works efficiently.

Let the abrasive stop naturally. Not by applying pressure to its surface.

As the majority of coated abrasive backings are hygroscopic, they cause different superficial tensions with the resin layer.

This phenomenon might cause positive (convex) or negative (concave) flexing. In order to maintain the abrasives in their natural form (straight), it is recommended that they be stored at a temperature between 64-70 F and a relative humidity of 55-60%.

SEALANTS, ADHESIVES & COATINGS

FOR THE BODY REPAIR PROCESS

SEALANTS, ADHESIVES & COATINGS

SEALANTS, ADHESIVES & COATINGS

Comprehensive range of performance body repair materials for key areas of panel sealing and bonding, anti-corrosion, plastic repair and aerosol coatings
Refer to technical data sheet for product specifications

CARTRIDGE SEALANTS

POLYURETHANE SEALANT

High strength adhesive sealant → Excellent bonding properties
Fast drying moisture cure → Can be painted when fully dry
Resistant to UV, water and oil → Forms a tough permanently flexible seal

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472576	Black	310ml	12	15.48
472583	Grey		12	15.48
472590	White		12	15.48

MS POLYMER SEALANT

High solids sealant adhesive → Superior strength adhesive properties
Fast drying moisture cure → Can be painted wet on wet
Isocyanate and silicone free → Compliant use in the bodyshop

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472637	Black	290ml	12	16.10
472644	White		12	16.10

MS SPRAYABLE SEALANT

High solid sealant adhesive → Superior strength adhesive properties
Extremely versatile → Apply as spray seam, extruded bead, brush seam and spray coating
Textured spray finish → Replicates OEM finish on joints and bulkheads

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472675	Grey	290ml	12	20.75
472682	Beige		12	20.75

CAR BODY SEALANT

Synthetic rubber base general purpose seam sealant
Good adhesion to bare or painted metal
Quick drying and paintable when cured

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472552	Grey	310ml	12	9.18

DIRECT GLAZING SEALANT

One part PU sealant adhesive for bonded windscreen
 Excellent adhesive bond to glass, metal and painted surfaces
 High shear strength and UV resistance
 Use in conjunction with cleaner and primer

PART #	TYPE	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472620	Sealant	Black	310ml	1	18.80
472606	Cleaner		30ml	1	10.20
472569	Primer	Black	30ml	12	13.35

BRUSHABLE SEAM SEALANT

Synthetic based sealant for welded or bolted seams
 Replicates OEM finish on overlap seams and joints
 Brushes out without stringing or sagging

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472545	Grey	1kg	12	22.82

PLASTIC REPAIR ADHESIVES

PLASTIC REPAIR ADHESIVE

2 part PU adhesive → Exceptional bond strength

1 or 5 minute application/work time → High speed cure rate

Automatic one step mixing nozzle → Easy extrusion and beading

Repair and bond on rigid and semi rigid plastics

PART #	TYPE	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472767	1 min	Black	50ml	1	31.24
472774	1 min	Clear	50ml	1	31.24
493953	5 min	Black	50ml	1	31.24

POWER WELD

2 part methacrylate adhesive → Excellent shear strength

Fast fixing and cure rate → Can be painted after 1 hour

Automatic one step mixing nozzle → Easy extrusion and beading

Bonds & seals simultaneously → Provides for excellent corrosion resistance

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472781	Black	50ml	1	28.41

ANTI-CORROSION

UNDERBODY COATING

Bitumen based protective coating → Spray gun application
 Excellent adhesion properties → Long term resistance to corrosive elements
 Flexible/elastic coating → Protects against stone chip penetration
 Available in aerosol for small repair & touch up coverage
 Wax based protective coating → Spray gun application

PART #	TYPE	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472200	Bitumen	Black	1lt	12	9.11
472217	Wax	Black	1lt	12	18.75

STONE CHIP COATING

Synthetic rubber based protective coating → Replicates OEM finish
 Excellent adhesion properties → Long term resistance to stone chip penetration
 Textured finish achieved by application → Can be painted once fully cured
 Available in aerosol for small repair & touch up coverage

PART #	TYPE	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472514	Tin	Black	1lt	12	15.29
472521	Tin	Grey	1lt	12	15.29
472538	Tin	White	1lt	12	15.29
472484	Aerosol	Black	500ml	12	18.04
472491	Aerosol	Grey	500ml	12	18.04
472507	Aerosol	White	500ml	12	18.04

CAVITY WAX

Wax coating for cavity & box section bodywork → Resistant to corrosive elements
 Excellent penetration → Maximum coverage & protection
 Amber or clear → Replicates OEM finish
 Available in aerosol for small repair & touch up coverage

PART #	TYPE	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472118	Aerosol	Amber	500ml	12	14.22
472149	Tin	Amber	1lt	12	16.59
472156	Tin	Amber	5lt	12	81.84
472125	Aerosol	Clear	500ml	12	14.22
472170	Tin	Clear	1lt	12	16.59
472187	Tin	Clear	5lt	12	81.84

SOUND DEADENING

Self adhesive sound absorption pads replicate OEM finish
 Easy to cut to shape & apply
 Flame retardant compliance FMVS302

PART #	TYPE	SIZE	PACK SIZE	CTN QTY	PRICE PER PACK
461273	Pattern	500 x 500mm	4	1	40.55
461280	Pattern	200 x 500mm	10	1	40.55

461303	Smooth	200 x 500mm	10	1	50.20

AEROSOL COATINGS

HIGH BUILD PRIMER AEROSOL

Versatile one pack acrylic based primer
Excellent adhesion to prepared substrates
Quick drying

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472927	Dark grey	500ml	12	17.08
472934	Grey	500ml	12	17.08
472941	White	500ml	12	17.08

HIGH BUILD PRIMER PLUS+

Superb build and scratch filling properties
Excellent adhesion
Ideal for bare metal rub through repair
Suitable for plastics (no need for adhesion promoter)

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
598610	White	500ml	12	17.93
598627	Grey	500ml	12	17.93
598634	Dark Grey	500ml	12	17.93
598641	Black	500ml	12	17.93

ETCH PRIMER AEROSOL

Primer & adhesion promoter for bare metal
Excellent anti-corrosion properties
High build for superior coverage

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472958	Beige	400ml	12	17.08
472965	Grey	400ml	12	17.08

ZINC WELD PRIMER AEROSOL

Zinc rich weldable primer for mig or spot weld applications
Excellent anti-corrosion properties
Fast drying

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
472972	Grey	400ml	12	15.51

ACRYLIC TOPCOAT AEROSOL

Hard, durable topcoat paint finish
Excellent build and coverage
Quick drying
High gloss clearcoat
Fade out thinner for blend repairs

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
481844	Gloss Black	500ml	12	6.80
481851	Satin Black	500ml	12	6.80
481868	Matt Black	500ml	12	6.80
481875	Wheel Silver	500ml	12	6.80
481882	Fade Out Thinner	500ml	12	13.44
472910	Clearcoat	500ml	12	17.08

PLASTIC COATING AEROSOL

Refinish coatings for plastic components
Concise range covers popular colours
Compatible with compliant refinish systems

PART #	COLOUR	PACK SIZE	CTN QTY	PRICE PER PACK
481899	Light Grey	400ml	12	17.13
481905	Mid Grey	400ml	12	17.13
481912	Dark Grey	400ml	12	17.13
481929	Black	400ml	12	17.13
481936	Fine Texture Black	400ml	12	17.13
481943	Primer Grey	400ml	12	17.13
481967	Plastic Preparation	400ml	12	17.13
481950	Adhesion Promoter	400ml	12	17.13

AUTOFILL

A concise range of high performance fillers, stoppers and glazes for the professional refinisher
Formulated to deliver maximum substrate adhesion, ease of application and effortless sanding
Rapid curing to minimise repair down time and maximise operator productivity
Excellent sag, shrink and bleed through resistance

PART #	TYPE	FORM	PACK SIZE	CTN QTY	PRICE PER PACK
507193	Gold - Premium Filler	Tin	3lt	4	50.70
507216	Silver - Easy Sand Filler		3lt	4	38.03
525135	XF - Lightweight Filler		3lt	4	38.03
507254	K-Tech - Reinforced Filler		1.8kg	4	33.27

Fusor®

Aftermarket Repair Adhesives

LORD Fusor® Automotive Repair Adhesives are used to return vehicles to pre-accident condition. These adhesives are specially formulated to repair all types of automotive substrates, using the same proven adhesive technology that is delivered to the OEMs.

Crash tested, OEM-approved assembly and repair adhesives

Fusor® PERFORMANCE PRODUCTS

- Collision focused repair adhesives, sealers & sound control
- Proprietary technology for OEM specification and replication
- Outstanding performance – delivering reduced cycle times, faster curing for quicker painting and increased productivity
- Compact product range incorporating the very latest in acrylic, urethane and epoxy adhesive technologies

Metal adhesives

Plastic adhesives

Sealers & Foam

LORD
Ask Us How™

LORD provides valuable expertise in adhesives and coatings, vibration and motion control. Innovative and responsive in an ever-changing marketplace, we are focused on providing solutions for our customers worldwide. Our UK distribution partner (Indasa Abrasives) has been chosen to deliver the highly specialised products, technical support and customer service... Ask Us How.

POLISHING

YOU CAN SEE IT IN THE FINISH

AUTOGLOSS COMPOUND PLUS

Fast cutting abrasive power → Permanent removal of P1500 scratch marks

Dry use → Cleaner and quicker process, no excessive dusting or splatter

Silicone free formulation → Safe for the bodyshop

Single stage process → Superior system efficiency to achieve gloss finish

PART #	SIZE	QTY	PRICE
578094	1kg	1	31.32
578100	500g	1	18.79

AUTOGLOSS HIGH-GLOSS PLUS

Dry use → Cleaner and quicker process, no excessive dusting or splatter

Silicone free formulation → Safe for the bodyshop

Protective properties → Produces a durable, water repellent glaze

Colour restoration → Professional showroom finish

PART #	SIZE	QTY	PRICE
578124	1lt	1	31.32
578131	500ml	1	18.79

INDASA **AUTOGLOSS**

THE PROFESSIONAL FLAWLESS FINISH

- FAST CUTTING ACTION
- EFFECTIVE REMOVAL OF SANDING MARKS
- DRY USE FOR A CLEANER PROCESS
- PROFESSIONAL GLOSS FINISH

- DEEP GLOSS ENHANCER
- DURABLE GLOSS RETENTION
- DRY USE FOR A CLEANER PROCESS
- PROFESSIONAL SHOWROOM FINISH

AUTOGLOSS MOP

Soft / medium / hard density → Smear free polishing / increased flexibility / long lasting performance

Removes swirl marks → Restores high gloss finish

Nylon grip backing system → Quick & easy to fit

Open cell foam → Minimises heat build up

80mm diameter → Ideal for smart repair applications

TECHNICAL TAPES

ADHESIVE FIXING & MASKING SOLUTIONS

MASKING TAPE - MTG

Ideal for general paint masking and industrial applications
Extremely flexible and conformable → Easy to tear
Excellent adhesion good mechanical strength

GENERAL PURPOSE

PART #	SIZE	BOX QTY	PRICE PER BOX
MTG-25	25mm x 45m	36	32.53
MTG-38	38mm x 45m	24	32.53
MTG-50	50mm x 45m	20	35.84
MTG-75	75mm x 45m	12	32.53

MASKING TAPE - MTE LOW BAKE

Excellent adhesion → Good mechanical strength
Flexible → Easy to shape on contours
Easy/clean removal → Leaves no residue
Solvent resistant → Paint will not bleed
Consistency of thickness → Uniform paint edge
Easy roll release → Easy to apply
80°C temp rating → Low bake refinishing

LOW BAKE

PART #	SIZE	BOX QTY	PRICE PER BOX
MTE-18	18mm x 50m	48	38.70
MTE-24	24mm x 50m	36	38.70
MTE-36	36mm x 50m	24	38.70
MTE-48	48mm x 50m	20	43.03
MTE-72	72mm x 50m	12	38.70

MASKING TAPE MTE - RED

Assured tack adhesion → No lifting through bake cycle
Extremely flexible and conformable → Easy to tear
Natural rubber resin adhesive → Eliminates adhesion transfer
100°C temperature ratings (30 mins)

ASSURED PERFORMANCE

PART #	SIZE	BOX QTY	PRICE PER BOX
580363	18mm x 50m	48	40.53
580370	24mm x 50m	36	40.53
580387	36mm x 50m	24	40.53
580394	48mm x 50m	20	45.08

MASKING TAPE - MTY

Excellent adhesion → Good mechanical strength
Flexible → Easy to shape on contours
Solvent resistant → Paint will not bleed
Consistency of thickness → Uniform paint edge
Easy roll release → Easy to apply
Waterproof backing → Indoor & outdoor use
110°C temp rating → High bake refinishing
UV resistant → Easy clean removal without adhesive transfer

PREMIUM REFINISH GRADE

PART #	SIZE	BOX QTY	PRICE PER BOX
556740	18mm x 50m	48	61.74
565957	24mm x 50m	36	61.74
556771	36mm x 50m	24	61.74
563199	48mm x 50m	20	68.58

MASKING TAPE - MTX

Superior adhesion → Excellent mechanical strength

120°C temperature rating

Excellent UV resistance → Up to 14 days

Water resistant backing → Indoor/outdoor applications

HIGH TEMPERATURE

PART #	SIZE	BOX QTY	PRICE PER BOX
MTX-24	24mm x 50m	36	73.95
MTX-36	36mm x 50m	24	73.95
MTX-48	48mm x 50m	20	81.11

PRECISION MASKING TAPE

Washi rice paper technology

Excellent UV resistance

Produces a clean sharp paint line

Ideal for precision critical paintwork

SHARP PAINT LINE

PART #	SIZE	BOX QTY	PRICE PER ROLL
589601	25mm x 50m	12	3.38
589625	38mm x 50m	8	5.07
589649	50mm x 50m	6	6.76

LOW TACK MASKING TAPE

Washi rice paper technology
Low tack acrylic adhesive for delicate surfaces
Clean removal after 21 days (indoor)

DELICATE SHARP PAINT LINE

PART #	SIZE	BOX QTY	PRICE PER ROLL
589663	25mm x 50m	12	3.38
589687	38mm x 50m	8	5.07
589700	50mm x 50m	6	6.76

MASKING COVER ROLLS

High density polyethylene masking film (9 micron)
Decorator's grade crepe paper masking tape
Static cling for easy application
Pre-folded for convenient dispensing
Easy roll release

PART #	SIZE	BOX QTY	PRICE PER ROLL
460559	350mm x 25m	50	2.10
460566	600mm x 25m	50	2.53
462973	1200mm x 25m	25	4.45
460573	1800mm x 25m	25	5.63

RHYNO MASKING FOAM

Foam tape for masking apertures
Eliminates paint build up & hard edge
Low tack adhesion for easy application
Box dispenser for dust free storage

PART #	SIZE	BOX QTY	PRICE PER BOX
320587	13mm x 5m x 10	1	18.98
322789	19mm x 5m x 7	1	18.98

DOUBLE SIDED BADGE TAPE

High strength adhesive → Good holding power
Medium density foam → Absorbs vibration
Ideal for mounting badges & trim

PART #	SIZE	QTY	PRICE PER ROLL
MBT-6	6mm x 10m	1	1.98
MBT-9	9mm x 10m	1	2.49
MBT-12	12mm x 10m	1	3.14
MBT-19	19mm x 10m	1	4.51
MBT-25	25mm x 10m	1	5.75
MBT-50	50mm x 5m	1	5.53

FINE LINE TAPE (BLUE)

Increased flexibility → Easy to shape on contours
Extremely flat PVC backing → Leaves a clean sharp edge
Easy and clean removal → Leaves no residue
Temperature resistant → Low bake refinishing

PART #	SIZE	QTY	PRICE PER ROLL
570968	3mm x 55m	1	4.74
570975	6mm x 55m	1	7.75
570982	9mm x 55m	1	11.87
570999	12mm x 55m	1	12.63
571002	19mm x 55m	1	18.59

FINE LINE TAPE (GREEN)

Extremely flat PVC backing → Leaves a clean sharp edge
Easy and clean removal → Leaves no residue
Temperature resistant → Low bake refinishing

PART #	SIZE	QTY	PRICE PER ROLL
566237	3mm x 55m	1	3.00
566244	6mm x 55m	1	4.57
566251	9mm x 55m	1	5.93
566268	12mm x 55m	1	7.98

ACRYLIC FIXING TAPE

High density acrylic foam tape → Produces a flush fixing
Superior strength adhesive bond
UV & moisture resistant

PART #	SIZE	QTY	PRICE PER ROLL
66275	6mm x 10m	1	7.11
66282	9mm x 10m	1	9.23
66299	12mm x 10m	1	12.00

566350	Clear	150mm x 2m	1	27.63
566367	Matt Black	150mm x 5m	1	24.17

NOTES

[illegible]

TERMS & CONDITIONS

1. GENERAL

All Tenders for products, materials or equipment to be supplied by or through Indasa Abrasives (UK) Ltd (hereinafter referred to as "the Company") are offered subject to the following express terms and conditions, which shall be deemed to exclude all conditions, warranties and guarantees implied or provided by common law, statute, trade, custom or otherwise including the Conditions of Purchase (if any) notified to the Company by the Customer.

2. PRICES

2.01 Unless otherwise expressly agreed in writing by us all quotations, prices and conditions are subject to revision without notice. The Company reserves the right to increase prices at any time prior to acceptance of any order placed.

2.02 In the case of the products of the Company's manufacture, except where expressly stated otherwise, a shortage or surplus, charged pro rata, not exceeding 10 per cent will be considered due execution of any order.

3. DELIVERY

3.01 Where contracts provide for a single delivery goods shall be delivered and accepted as soon as ready.

3.02 Where contracts provide for deferred deliveries such deliveries shall be accepted as specified in the contract (or as soon thereafter as ready) provided that all deliveries shall be accepted within six months from the date specified for the first delivery. In the event of failure to accept any delivery the balance remaining undelivered shall be invoiced (payment for such balance immediately thereupon becoming due) and storage costs charged to Customer's account, the goods being held at Customer's risk.

3.03 The times given for delivery are approximate and without guarantee, and the Company whilst using its best endeavours to comply with these times accept no liability to failure to deliver any goods on a stated date.

3.04 All goods are delivered in accordance with the rules determined by ICC Incoterms 2010 Delivered at Place (DAP) unless otherwise stated.

4. DEFECTS The Company will at its option either repair free of charge or replace free of charge any product which is found to the satisfaction of the Company to be defective as a result of faulty design, manufacture or workmanship provided that:

- (a) The Products are returned properly packed carriage paid to the Company at the Customer's risk within a period of 1 month from the date of delivery; and
- (b) where the products are made to Customer's specification, defects are not a result of errors in such specification;
- (c) the Products have not been modified in any way by the Customer; and
- (d) the Products have not been used for any purpose other than that for which they were designed or otherwise mis-used.

Repaired or replaced goods will be returned free of charge to destinations on the mainland of the United Kingdom or delivered F.O.B. U.K. Port for other destinations.

5. PAYMENT

5.01 Payment shall be net cash not later than end of month following date of invoice.

5.02 The Company reserves the right to charge interest at the rate of 2% per annum above the base rate of National Westminster Bank Limited from time to time ruling on any sums from time to time payable to the Company in accordance with the provisions of 5.01.

5.03 In the event of a Customer failing to make payment against any invoice at the proper time the Company shall be entitled to delay, suspend or cancel any further deliveries to the Customer to retain any of that Customer's goods in its hands without prejudice to any other rights to which the Company may be entitled.

6. RETENTION OF TITLE

The risk in the goods shall pass from the seller to the buyer upon delivery of such goods to the buyer. However, notwithstanding delivery and the passing of risk in the goods, title and property in the goods, including full legal and beneficial ownership, shall not pass to the buyer until the seller has received in cash or cleared funds payment in full for all goods delivered to the buyer under this and all other contracts between the seller and the buyer for which payment of the full price of the goods thereunder has not been paid.

7. CLAIMS AND DISPUTES

7.01 Any Customer wishing to make a claim alleging shortage in weight or numbers in respect of products, materials or equipment supplied by the Company shall give notice in writing within three days of delivery of the goods stating fully the grounds of that claim.

7.02 Claims for non delivery shall be made in writing within one month of the invoice date. The Company will obtain and supply proof of delivery (P.O.D) on written request received within the period stipulated above.

7.03 The Contract or Sale between the Company and the Customer shall be adjudicated in the event of dispute in accordance with the Law of England.

8. FORCE MAJEURE

The performance of all contracts is subject to variation or cancellation by the Company owing to any Act of God, war, strikes, lock-outs, fire, flood, drought, tempest or any other cause beyond the control of the Company or owing to the inability by the Company to procure materials required in the manufacture of products to be supplied by the Company under the contract.
