ADHESIVE FIXING & MASKING SOLUTIONS

## Masking Tape MTY

### Features

Dimension	Part Number	Unit of Sale	Barcode
18mm x 50m	556740	48	5603902556740
24mm x 50m	565957	36	5603902565957
36mm x 50m	556771	24	5603902556771
48mm x 50m	563199	20	5603902563199

Temperature resistance 110° C/1h  
Waterproof  
UV resistant  
Excellent adhesion  
Easy/clean removal  
Consistency of thickness

## Masking Tape MTW

### Features

Dimension	Part Number	Unit of Sale	Barcode
18mm x 50m	556733	48	5603902556733
36mm x 50m	556764	24	5603902556764
48mm x 50m	563182	20	5603902563182

Temperature resistance 80° C/1h  
Moisture resistant  
UV resistant

## Masking Tape MTE

### Features

Dimension	Part Number	Unit of Sale	Barcode
12mm x 50m	519851	72	5603902519851
15mm x 50m	482872	60	5603902482872
18mm x 50m	142493	48	5603902142493
24mm x 50m	142509	36	5603902142509
30mm x 50m	475096	32	5603902475096
36mm x 50m	142516	24	5603902142516
48mm x 50m	142523	20	5603902142523
72mm x 50m	545188	12	5603902545188
100mm x 50m	502402	12	5603902502402

Excellent adhesion  
Flexible  
Easy/clean removal  
Consistency of thickness  
80° C temp rating

## Masking Tape MTD

### Features

Dimension	Part Number	Unit of Sale	Barcode
18mm x 45m	515860	48	5603902515860
24mm x 45m	515884	36	5603902515884
30mm x 45m	530689	32	5603902530689
36mm x 45m	515907	24	5603902515907
48mm x 45m	515921	20	5603902515921

Excellent adhesion  
Flexible  
Easy/clean removal  
Solvent resistant  
Consistency of thickness  
Easy roll release

## Trim Masking Tape

### Features

Dimension	Part Number	Unit of Sale	Barcode
45mm x 10m	562864	36	5603902562864

Quick & easy way to mask and protect windscreen rubber/trim  
 Extremely flexible plastic film  
 Perforated for easy tear and application  
 Eliminates the risk of overspray & paint build up

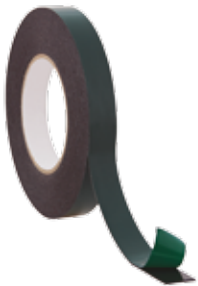

## Masking Foam

### Features

Dimension	Part Number	Unit of Sale	Barcode
13mm x 5m (10x)	320587	10 strips per box	5603902320587
19mm x 5m (7x)	322789	7 strips per box	5603902322789

Flexible  
 Easy/clean removal  
 Solvent resistant  
 Easy roll release  
 80° C temp rating  
 Cylindrical profile  
 Box dispenser

## Double Sided Tape

### Features

Dimension	Part Number	Unit of Sale	Barcode
6mm x 10m	518557	1	5603902518557
9mm x 10m	518564	1	5603902518564
12mm x 10m	518571	1	5603902518571
19mm x 10m	518588	1	5603902518588
25mm x 10m	518595	1	5603902518595
50mm x 5m	518601	1	5603902518601

Excellent adhesion  
 80° C temp rating  
 High density foam

## Fast Fix Tape

### Features

Dimension	Part Number	Unit of Sale	Barcode
12mm x 10m	562871	20	5603902562871
19mm x 10m	562888	20	5603902562888

High tack double sided tape  
 Produces a flush adhesive bond  
 Excellent adhesion to rubber & plastic trim  
 Extremely versatile & easy to apply

## Acrylic Fixing Tape

### Features

Dimension	Part Number	Unit of Sale	Barcode
6mm x 10m	562819	10	5603902562819
9mm x 10m	562826	10	5603902562826
12mm x 10m	562833	10	5603902562833
19mm x 10m	562840	10	5603902562840
25mm x 10m	562857	10	5603902562857

Double sided acrylic fixing tape  
 Superior strength adhesive bond solvent  
 UV & moisture resistant  
 Replicates OEM finish

## Fine Line Tape (Green)

### Features

- High temperature resistance for low bake refinishing
- Produces a fine sharpe edge
- High tack but no adhesive residue on removal

Dimension	Part Number	Unit of Sale	Barcode
3mm x 55m	562772	20	5603902562772
6mm x 55m	562789	20	5603902562789
9mm x 55m	562796	20	5603902562796
12mm x 55m	562802	20	5603902562802

## Fine Line Tape (Blue)

### Features

- Flexible
- Extremely flat PVC Backing
- Easy/clean removal
- 132° C temp rating
- Excellent conformability for curves/contours

Dimension	Part Number	Unit of Sale	Barcode
3mm x 55m	562727	20	5603902562727
6mm x 55m	562734	20	5603902562734
9mm x 55m	562741	20	5603902562741
12mm x 55m	562758	20	5603902562758
19mm x 55m	562765	20	5603902562765

## Paint Protect Film (Clear)

### Features

- Heavyweight high strength adhesive film
- Excellent stone chip, scratch and corrosion protection
- Easy to cut to shape and apply
- Replicates OEM finish

Dimension	Part Number	Unit of Sale	Barcode
150mm x 2m	562901	12	5603902562901

## Paint Protect Film (Black)

### Features

- Heavyweight high strength adhesive film
- Excellent stone chip, scratch and corrosion protection
- Easy to cut to shape and apply
- Replicates OEM finish

Dimension	Part Number	Unit of Sale	Barcode
150mm x 5m	562918	12	5603902562918

## Cover Rolls

### Features

Dimension	Part Number	Unit of Sale	Barcode
350mm x 25m	449585	50	5603902449585
600mm x 25m	449592	50	5603902449592
1200mm x 25m	462980	25	5603902462980
1800mm x 25m	449608	25	5603902449608
1800mm x 25m (white)	464656	25	5603902464656

- Excellent adhesion
- Easy/clean removal
- Solvent resistant
- Easy roll release
- Static cling

## Badge and Emblem Adhesive

### Features

Dimension	Part Number	Unit of Sale	Barcode
100mm x 200mm	569696	5 x 50	5603902569696

- High strength adhesive bond
- Replicates OEM finish
- Extremely versatile & easy to apply
- 5 sheets per pack

## Aluminium Foil Tape

### Features

Dimension	Part Number	Unit of Sale	Barcode
50mm x 50m	562949	24	5603902562949

- High strength acrylic adhesive
- Excellent heat resistance
- Waterproof
- Extremely durable bond/repair

## Anti-Slip Tape (Black)

### Features

- Slip resistant mineral coating
- High strength adhesion to stairs/treads
- Low profile - flush fitting
- Easy to cut to size & apply

Dimension	Part Number	Unit of Sale	Barcode
50mm x 18,3m	562925	12	5603902562925

## Anti-Slip Tape (Black/Yellow)

### Features

- Slip resistant mineral coating
- High strength adhesion to stairs/treads
- Low profile - flush fitting
- Easy to cut to size & apply

Dimension	Part Number	Unit of Sale	Barcode
50mm x 18,3m	562932	12	5603902562932
